Summary

Hi. Here is my LinkedIn Profile. I am a young Zimbabwean Creative working to become a Full Stack Developer. As a junior developer I have worked in a couple of projects listed below. I have also Studied in Psychology at SACAP, Cape Town, ZA. My work also includes founding the Alpha-List, a creative network built for African Creatives. This Network is built to help connect African talent and act as a resource for connection amongst creatives.

I am an excellent communicator and leader, Psychology and Technology have dually been my passions growing up, combining my skill set to include both.

I'm look forward to hear from you. Feel free to browse my LinkedIn and shoot me a message anytime.

Cheers!
